### VILLAGE PLACE BROOKHAVEN PLEASED TO WELCOME YOFORIA TO THE NEIGHBORHOOD

Frozen Yogurt Company Is Latest Addition to Live/Work Community in Heart of Brookhaven

ATLANTA – November 16, 2009 – Village Place Brookhaven ([www.vpbrookhaven.com](http://www.vpbrookhaven.com)) is pleased to announce that Yoforia has selected to locate its fifth Atlanta-area store in the live/work community of Brookhaven. Dillon Baynes, president of Orinda Corporation, who manages Village Place Brookhaven on behalf of Wrightwood Capital notes: “Yoforia will be a great addition to our neighborhood and a perfect complement to the other restaurants and stores that are located in and near Village Place Brookhaven.”

Yoforia at Village Place Brookhaven will open for business in the spring of 2010. For more information about Yoforia, visit [www.Yoforia.com](http://www.Yoforia.com).

Already, Village Place Brookhaven is home to Verde Taqueria and The Library Coffee Co., while J. Christopher’s is slated to open later this month. Across from the development, restaurants Haven and Valenza have become popular fine dining destinations.

Yoforia’s newest location in the heart of Brookhaven will feature self-serve yogurt machines and a topping station where “Yoforians” (passionate Yoforia fans) can create their own yogurt extravaganza. In addition to Yoforia’s classic flavors, original, pomegranate, dark chocolate and mango, Yoforia will also introduce eight new flavors to its low-calorie (25 calories per ounce) line-up.

“Village Place Brookhaven is becoming a fun gathering place for our residents and area neighbors who want to take a stroll, stop at one of our fabulous shops such as The Mercantile or Davonshire, get a bite to eat and then end the evening with a guilt-free treat at Yoforia,” remarks Baynes.

Located in Atlanta’s fashionable Brookhaven community on Dresden Drive within walking distance (less than a quarter mile) from the Brookhaven/Oglethorpe MARTA station, Village Place Brookhaven has 41 luxury residences and 11 office condominiums, built above retail and

restaurant space in two buildings. The live-work community is nestled in a 5-acre park-like setting right off Peachtree Road. The development is close to some of the city's most popular restaurants and cafes and is just five minutes from Lenox Square, Phipps Plaza and the Buckhead business district.
